Blocking Individual Phone Numbers from ringing at your number:

August 2018

There are two choices for Blocking Individual Phone Numbers:

1) Go to the My FiOS app - download it if you don't have it already.   You can block individual numbers from there.

To Download the My FiOS App:
Go to the App Store on your device and download the 'My FiOS' app.
Open the 'My FiOS' app.
Follow directions

2) You can also Block Individual Phone Numbers by setting up your online FiOS Account on the Verizon website, signing in and blocking from there. If you need assistance in setting up your online FiOS Account, call:

The E-Center at 1-866-326-7937. The E-Center assists with setting up your FiOS Online Account.

The My FiOS App is easiest, fastest and better, plus you can do many other things from there.
