Message from the President

Not much is happening these weeks. The days keep getting longer, flowers are starting to peek through and Phillies have started spring training! The turnover to Verizon is proceeding well and the number of early transfers is encouraging. Transferring early will give you more attention from the technicians since the standard timing will be quite a sprint.

I regret to tell you that our suit against KHov has hit another delay tactic by KHov. They have been able to take the suit off the March docket but we hope to reschedule for April or May.

Still a little dreary around here but hopefully spring is on the way. During March another "Dining Around" will be scheduled for all of those who have so enjoyed these evenings. John Koonz will be setting up a dinner at Bunha Faun and Susan Bronner will send an email when a date is set. As always any new suggestions will be appreciated.

Yardley/Zephyr Ladies Lunch

With the forecast for colder weather for the next couple of months, planning for the next Ladies' Lunch is on hold. We'll notify you when we have a plan!

Miscellaneous

In this day of email I have been trying to keep up with an up-to-date version of Yardley Village. I used to send out the Yardley Phone List but Joe Ciasullo, George Earle, Lynne Fleming and I needed email addresses for sending out various announcements. I have compiled a list which I think is correct and would like to publish. There are

a couple of people who do not have their emails in the Hershey's Mill Resident Directory and if you really object to having your email published in our Village list, please let me know. As soon as I hear I will send out the current phone/email list.
