

Village of Princeton

Home Owner's and Contractor's Responsibility Acknowledgement Form

1. The contractor shall contact Pennsylvania One Call System, Inc. (1-800-242-1776) before any digging, to locate any underground utilities, entering the Utility Inspection number here: _____
2. Insurance must be maintained by the contractor. Contractor's certificate of insurance must be filed with the Princeton Village Managing Agent prior to commencement of work.
3. If contractor damages any lawn, trees, plantings, or the exterior of buildings (to include garages) he/she shall repair same to the satisfaction of the Landscape Chair and/or Architectural Chair as appropriate. Any damage done to utilities including, but not limited to, pipes and electric, telephone, or television cables, shall be the responsibility of the contractor to repair.
4. All debris and excess material shall be removed by the contractor. Any debris or material left by the contractor will be removed by the Princeton Village Home Owner's Association (HOA), and the cost of removal will be charged to the homeowner.
5. Contractor will not dispose of any debris on Hershey's Mill property or in any dumpster belonging to the HOA or any other contractor.

I have read and understand this acknowledgement form and will comply with all the above requirements.
