

Yardley Village News

October 2019

Message from the Vice President

Autumn is here and cooler weather is just around the corner ...

Master Association – At September's meeting, Sherry and Bill Kane presented information on a new Hershey's Mill Technology Committee. More details will be coming, but the idea is to have eight sub-committees looking at new technology in each area. Currently, an idea being implemented is bulk email from a master list. Most carriers limit email to 100 recipients, and villages have to maintain multiple email lists. By having one official master list and using a bulk carrier, all organizations can send large emails from a master list. Also, family members that need information can be included on the master list. Sherry & Bill are looking for committee members with an interest in technology.

Yardley Committees – Our village is in need of volunteers for our various committees. The list of committees and current members is shown in the Newsletter. Some committee members have been volunteering since the inception of Yardley Village. One current area of need is with our Christmas decorations and reindeer storage.

Enjoy Autumn - Go Eagles ...

Landscape Committee

Hard to remember how lush and green our lawns were earlier this year. Without rain and hotter than usual fall weather, our lawns now look terrible. The lawns will get better when rain and normal temps return. For this reason grass has only been cut every other week and we are not doing any reseeding or replanting of shrubs. Will keep you posted.

After about 14years, in two stints, as Landscape Chair, I am retiring. WE are

Social Committee

Another delightful cocktail party at the Sullivan House with over 70 neighbors attending. This year the weather cooperated and we were able to enjoy the patio fully.

Our next event is the "Dining Around" on Monday, October 7th at TECA. Contact Dan Feinberg at 484-947-5528 if you are interested.

Our Christmas event will again be at Hershey's Mill and more about that later. Enjoy our unseasonable warmth while it lasts.

Decorating Committee

The Yardley Christmas Decorating Committee needs you!

We need volunteers to take over as decorating leaders for the Christmas holiday season.

Also needed is someone to house a couple of the wooden reindeer used at the two entrances into Yardley. Our beautiful village always looks so festive with these decorations, so it would be unfortunate not to be able to enjoy them this holiday season.

Please consider taking over this position and feel free to contact me with any questions.

I HATED to leave Yardley Village!!! You folks have been my neighbors & close friends for nearly 18 years!

Specially for this past year which has been so tough & lonely without my Dear Jim. You have all given me SO MUCH solid support & care!! I have sure appreciated all you have meant to me so VERY much!

"ECHO LAKE" a GREAT over 55 Retirement Community about 1 mile north of the DESMOND on 29, past Wawa, past Turnpike entrance, next traffic light turn RIGHT onto N. Atwater Dr & curve around about a mile to turn LEFT way up into a lovely, big, white house on the HILL!!

ADDRESS: 900 N. Atwater Dr., Apt # 541, MALVERN, PA 19355 (same email janealex@verizon.net) Ph# 610-247-8000 Talk & Text.

CVIM

2020 Calendars wanted. CVIM is a clinic near us that provides medical, dental, health education and prescription medications to those who live in the Chester County region. I am collecting calendars to give to the patients to help them remember their appointments. Last year CVIM served 4,200 patients. Please drop the calendars off at my home or call me and I will pick them up.

Many thanks.
